Cafe Features

Tokyo Canelé

A Japanese reinterpretation of the classic French pastry, soft and tender within, with a delicate caramelised shell. For the first time overseas, boB Canelé presents its signature hanjuku (half-baked) style exclusively at WHITETREE's pop-up café.

Handmade Dorayaki

A beloved Japanese confection, reimagined. Our dorayaki features soft, pillowy pancakes filled with smooth cream, seasonal fruits from Japan, and chewy mochi. Each bite offers a delightful contrast of textures.

Specialty Drinks

Discover a selection of beverages specially crafted to complement our delicate confections. From fragrant herbal teas and fruity infusions to creamy lattes and freshly brewed coffee
